

3 JUNE – ATLIC LEGACY

09:30-10:00 **REGISTRATION**

10:00-10:30 **INSTITUTIONAL OPENING**

Rafael Amorim, *Permanent Representation of Portugal to the EU*

Ismael Morán-García, *Interreg Atlantic Area*

Vera Araújo, *Lead Partner of the ATLIC Project, Municipality of Santo Tirso*

10:30 – 11:15 **ATLIC WHITE PAPER PRESENTATION**

A visual and strategic presentation summarising the main results, analyses, and recommendations developed within the ATLIC Project White Paper. Its purpose is to communicate clearly the identified challenges, the methodologies applied, the conclusions reached, and the proposals for improvement and innovation addressed to key stakeholders, institutions, and policy-makers, thereby facilitating the dissemination and impact of the project.

Florent Orsoni, *Director of Research, Foresight and Professional Development at L'École de design Nantes Atlantique*

Cassandre Samson, *European Project Manager and ATLIC Project Manager at L'École de design Nantes Atlantique*

Vera Araújo, *Lead Partner of the ATLIC Project, Municipality of Santo Tirso.*

11:15 – 12:00 **ATLIC TALENT: PROJECT PRESENTATIONS**

A format inspired by the round-table sessions of the Mobile World Congress. Young participants interact with opinion leaders and key stakeholders. Round-table discussions with invited experts are organised to formulate questions, exchange ideas, and present recommendations.

Dr. Aaron Jansen, *Social Scientist with a PhD in Entrepreneurship from the University of Strathclyde Business School. Chief Operating Officer - Institute for Methods Innovation*

María Soaje Crespo, *Head of EU projects department in Implicatum. Expert in Business Internationalisation*

Ismael Morán-García, *Interreg Atlantic Area*
