

# Building Tomorrow: Interreg Atlantic discussed by the next generation

June 19, 2024

**Santo Tirso, Portugal**

You can participate live or online

**Building Tomorrow: Interreg Atlantic  
discussed by the next generation**

is the meeting of young Europeans in a hybrid ideation event that takes place in Santo Tirso (Portugal) and online to seek ideas about what our young people think is going to happen in Atlantic Europe after the year 2027.

We look for ideas and proposals for the future across borders since they are the voice of tomorrow. We want to listen to young Atlantic people, what they think and be able to create a new Interreg Atlantic Area that includes their concerns.

## Santo Tirso Agenda

- 10:00 Welcome Caffe | Opening Ceremony
- 10:30 Icebreaker | Interactive ideation game | Mentor groups
- 11:30 JamDay: presentation, topics, methodology, tools
- 13:00 Lunch
- 14:00 JamDay: teams work, prepare presentation
- 16:00 JamDay: teams pitch their idea live
- 17:00 Experiences Panel with Joana Resende, Vice-Rector of the University of Porto

## Online Agenda
